

**Dead?  
Or Dead Slow?  
Your Choice!**

Horses are unpredictable. Passing horses wide and slow can prevent deaths of drivers, riders and horses.

**Do you have problems riding on roads?**

**Have you suffered from road rage and dangerous driving? Have you had issues with dogs when riding?**

**Keen to learn more about Riding and Roadcraft, how to report incidents and ensure you are covered in the event of an accident?**

BHS Scotland invite all horse owners and riders to come along to hear more from the experts - , from **BHS Director of Safety Alan Hiscox**, officers from **Police Scotland** and **Helene Mauchlen** from BHS Scotland.

**Date and Time: 21 May 7pm**

**Venue: Boardroom, Inverness Caledonian Stadium, Stadium Road, Inverness IV1 1FF**

Entry is FREE and tea/coffee is included. The talk will begin at 7pm promptly.

**There will be a raffle on the night**
