

## SNE / BHS Scotland Riding Club Working Hunter Series 2012

### ENTRY FORM TO HOLD A QUALIFIER

## Final: Blair Castle International Horse Trials 2012

**The course:** At least 8 and not more than 12 fences, with changes of direction, must be set in a ring large enough to permit jumping fluently at a fair hunting pace. Fences should be rustic or as natural as possible, not easily dislodged, of solid appearance, **well filled and dressed**, for example with shrubs as wings. Maximum height 3ft 3ins (1.00m), maximum spread 3ft 6ins (1.05m), except open ditch and water. **As this is a qualifier for a national final, the course should be set at, or near, maximum unless the judge considers that the ground makes this unsafe. Normally at least one upright and one spread must be at maximum.**

**Qualification:** The first THREE qualify for the final, even if they did not jump clear. If one of the first three has already qualified the qualifying card can be passed down to fourth place provided the 4<sup>th</sup> placed rider jumped clear.

**Judging:** We expect you to elect or choose your judge from the following organisations; Sports Horse Great Britain, NPS, BRC or BHS, or a respected, time-served judge can be used IF checked with Alice Jaggard – [a.jaggard@bhs.org.uk](mailto:a.jaggard@bhs.org.uk). Judges must be familiar with the rules of this series.
