

TAYRAG
Tayside Riders Access Group
2011

We are a group of 15 enthusiastic riders in the Angus area of Tayside. Our members at the moment are mainly from 3 different livery yards in the area, with 2 or 3 from further afield. We are mostly 'happy hackers' of various ages but also like to compete in local shows and some of us take part in Scottish Endurance pleasure rides.

We aim to locate and map old and new tracks in the surrounding area. We hope to work with local authorities and farmers / land owners to create good off-road riding. We plan to hold rides and events in the Broughty Ferry, Monifieth, Kellas, Wellbank and Carnoustie areas. For information about membership or taking part on rides, we can be contacted by emailing tayrag@hotmail.co.uk
